

The Community needs your help three ways:

First, send money. This community effort needs your help in three ways, most importantly, contributions to pay for election filing fees, the cost of signature collection, and campaign expenses. Please use the form below or go online. Online donations may be made at: <https://donorbox.org/east-county-public-safety-services>

Second, sign the petition when it becomes available. Your signature is needed to put the initiatives on the November, 2020 election ballot. Please let us know your contact information so we can contact you once signature gathering has begun. To be placed on the ballot the initiative needs 3,397 valid signatures of Brentwood registered voters, and 2,093 valid signatures of Oakley registered voters.

Third, vote “Yes” in November, 2020. The “**Emergency Response for All Initiative**” will add a chapter to the municipal codes of both cities, requiring the expenditure of city revenues on specified services as described in California’s Fire Protection District Law of 1987, and Health and Safety Code Section 13801.

East County Voters for Equal Protection
1300 Crescent Drive
Brentwood, CA 94513
